VI Letter No 3361-M1 51-14-78, dated 9th
November 1915, from the Revenue Secretary, Mysore Government,
stating that the Municipal Council is not quite correct in
disowning any responsibility in respect of bearing the cost
of the removal and reconstruction of the health camp sheds
on the Seringapatam Road, and requesting to take immediate
steps to provide such camps in different parts of the City

Resolved that the Government be requested
to reconsider the question of bearing the cost of removal
and re-construction of the Health Camp sheds on the Seringa-
patam Road, because the sheds as they existed met all the
needs of the Municipality in that quarter of the town, and
the sections of the Municipal Regulation were adequately
met Since the Government thought it necessary for other
reasons to remove the sheds, the Municipal Council consider
that the Government or trust Board should bear the cost
